SUPPLY LIST 2021

CLASS NAME: Floriani Total Control-U
INSTRUCTOR: Gayle Duffy

Bring your laptop, power cord and mouse to class.

Notebook with pen/pencil also suggested for notes.

PLEASE MAKE SURE YOUR SOFTWARE IS LOADED ON YOUR COMPUTER AND UPDATED BEFORE YOU GET TO CLASS.

BEGINNER CLASS:

This class is perfect for new users and anyone who hasn't spent much time playing with their Floriani Software. You are welcome to attend this session more than once if you do not use your computer on a regular basis.

The class will start with a full tour of the software to ensure that you can find all of the great resources Floriani Total Control-U has to offer.

INTERMEDIATE SESSION/PROJECT:

Prior to taking Intermediate class, you must complete a beginner class or a private lesson.

We will be digitizing an in-the-hoop project bag!

This class will focus on:

- converting artwork tools
- grid settings
- custom shapes and a number of other tools used to create and edit designs

Participants will leave with a design they can stitch out when they get home.

ADDITIONAL NOTE FROM THE INSTRUCTOR:

As with any other software, it will take more than a few classes to "really" learn how to use Floriani Total Control-U. It takes practice and commitment. As, the instructor, I have been using the current version of the software for several years now and with all the wonderful free updates that just keep coming, I find that I am still learning new skills and tricks every time I open the program! I suggest students try to watch a video or two and play with the software at least once a week.

PLEASE NOTE: STUDENTS RECEIVE A 10% DISCOUNT ON CLASS SUPPLIES PURCHASED AT AVS

COVID-19 PRECAUTIONS:

Please be aware that AVS wants to keep staff and students healthy. During this time, AVS WILL NOT be supplying classrooms with cutting mats, rulers, irons, ironing boards or rotary cutters. Please bring your own. All machines, tables and chairs will be sanitized before and after each class.

We ask that you sanitize your hands often, practice social distancing and wear your mask. Thank You!
