

# AUTHORIZED VAC SEW SUPPLY LIST

**CLASS NAME: BABY RAG QUILT**

**INSTRUCTOR: DENISE HAAR**

**DATE/TIME: Tuesday, February 27 9:30 A.M. - 4:00 P.M.**

**FABRIC REQUIREMENTS: PLEASE PRESHRINK FABRICS BEFORE CLASS**

**(All fabrics used in the example quilt are baby flannel)**

- Top Fabric

(can be flannel or cotton)

- Fabric A: ½ yard
  - Fabric B: ½ yard
  - Fabric C: ½ yard
  - Fabric D: ½ yard
  - Scalloped border: 1 ¼ yard (can be additional fabric A, B, C or D as per the example quilt or a different fabric. If you decide to use fabric A, B, C or D for the scalloped border, you would need 1 ¾ yards total of that fabric.)
  - Middle fabric (flannel)
    - 2 1/2 yards
  - Bottom fabric
- (cotton or flannel - can be additional fabric of A, B, C or D from front of quilt)
- Fabric E: 1 ¼ yard
  - Fabric F: 1 ¼ yard

**OTHER SUPPLIES:**

- SEWING MACHINE IN GOOD WORKING ORDER WITH FOOT PEDAL, DUAL FEED PRESSER FOOT OR WALKING FOOT, EXTRA BOBBINS AND MANUAL.
- New 90/14 needles
- Thread to match fabric.
- Small wonder clips.
- Frixion/fabric marking pen.
- Thread Scissors.
- Rag quilt scissors (available at AVS).
- Seam ripper.
- Rotary cutter. (New blade recommended.)
- 24" x 36" cutting mat.
- 6" x 24" Quilter's Select ruler.
- Optional (and very helpful!): Extension table

**SEE NEXT PAGE FOR PRE-CLASS CUTTING INSTRUCTIONS**

# Baby Rag Quilt Pre-Class Instructions

The baby rag quilt consists of three layers. We'll be using four fabric choices for the top layer, two fabric choices for the back, and the center layer can be one fabric. I recommend a solid for the center layer so that the color pops through when we clip the quilt.

Before any cutting, be sure and pre-wash/dry all your fabrics. Refold your fabrics exactly center on your width of fabric.

The quilt we'll be making will be 8 blocks long by 7 blocks wide. (7 inch squares) The quilt will consist of 56 squares x 3 layers.

Per our quilt example:

Top Layer

Using 4 fabrics plus one fabric for border.

Fabric A - polka dots 8 squares

Fabric B - alphabet 8 squares

Fabric C - stars 7 squares

Fabric D - bunnies 7 squares

Border squares - bunnies 26 squares

Center Layer

Using 1 fabric - 56 squares

Bottom Layer

Using 2 fabrics - 28 each

After folding your fabric on the width of fabric, lay out your fabric on your cutting mat with the folded side closest to you. Line up the folded edge on a line on your mat to ensure your fabric is straight.

Using your rotary cutter and Quilters Select Ruler, cut your first slice taking off just enough fabric to catch both layers giving yourself a clean straight side. Slide your ruler over 7 inches and create your first 7 inch slice of fabric.

From each slice you will sub-cut into five, 7 inch squares. Cut as many slices and sub-cuts to meet each quilt layer fabric requirement. We will create our pattern and quilt sandwiches first thing in class.

If you have any questions about cutting your fabric, please feel free to text me at (559) 288-1474.
