

# AUTHORIZED VAC SEW SUPPLY LIST

**CLASS NAME:** PHOTO TO FABRIC Art Quilting

**INSTRUCTOR:** Cindy Thompson

**DATE/TIME:** 5/30, 5/31, 6/1, 6/3, 6/4

## PHOTO:

- Choose a picture with a background, middle ground, and foreground, variety of colors values and textures, a good focal point, and defined features (not fuzzy or abstract).
- Make sure the photo you are using is yours, for public use, or that you have written permission from the owner!
- Please e-mail your photo to [education@authorizedvacandsew.com](mailto:education@authorizedvacandsew.com) so we can make sure it is convertible to fabric.
- Once your photo has been approved, have it blown up to the size of your project. Cindy recommends no larger than 30" a side. (Office Max/Depot can do this)

## FABRIC:

- Background fabric or muslin in the size you would like your finished project to be.
- 30-40 fabrics with different colors/values from your selected photo (this can be scraps - no larger than a fat quarter). (\*pro tip - batiks work well for this!)
- 5 yards of Heat and Bond Lite to start.
- Batting and backing to fit your project

## SUPPLIES:

- Sewing machine in good working order with foot pedal, quarter inch foot, free motion foot, walking foot or darning foot, 70-75 microtex needles and extra bobbins.
- Set of Inktense pencils
- Fine black sharpie, black micron pens
- Pencil with eraser.
- MonoPoly thread, and thread to match fabric/colors of your photo.
- Fabric glue.
- Fine, detail paintbrushes/small container for paint water
- Applique pressing sheet.
- Tweezers and small, sharp scissors for cutting paper and fabric/fused fabric.
- Quilting gloves, quilting pins and KK200 basting spray.
- Iron and wool ironing mat.
- Rotary cutter (new blade recommended) and rotary cutting mat with ruler.
- Tri - fold presentation board/design board covered in flannel. (Sample at AVS)
- Something to cover your work at night.
- Light box and table top light (optional, but handy).
- Favorite sewing supplies/notions for quilting and finishing.
